

Area School Principals' Sabbatical Application Guide

About the Area School Principals' Sabbatical

The Area School Principals' Sabbatical provides either three, five, or ten weeks' paid leave to undertake professional development. Every year, the Ministry offers 18 sabbaticals to principals in state or state-integrated area schools. At least 5 of these sabbaticals are reserved for Te Rau Titoki Leave. Principals can also apply for a reimbursement of sabbatical costs, to a maximum of NZD\$5,000.

Purpose of the award

Directly:

- improve knowledge, skills, and practice through engagement in professional learning
- enhance principal enthusiasm for leadership
- provide opportunities to overcome any professional isolation experienced by Area School Principals.

- improve overall retention rates of experienced and effective area school principals
- enhance the learning experiences of students

How is my application assessed?

A selection panel will assess your application on the following:

- The professional learning you're planning to complete during the sabbatical is in one or more of the approved fields.
- The purpose of the sabbatical within the allocated timeframe is clearly described.
- The benefits of the sabbatical, and how these will be applied, for yourself, your students, and your area school are explained.
- Previous leave taken.
- Professional isolation.

The selection panel will award the ten-week sabbaticals first. The five and three-week sabbaticals will then receive equal consideration. The selection panel may not award more than a total of 180 school weeks for sabbaticals in any school year.

Preference is given to applicants who meet the criteria and who have not received a study award or sabbatical in the last five years.

Should there be an equal ranking in applicants who meet the selection criteria and preference, the quality of the application will then be used as the final selection.

The selection panel's role is to ensure that the selection process is open, fair, consistent and impartial, and that it provides for equal opportunity and non-discrimination.

Expectations if awarded a sabbatical

If awarded a sabbatical, you must:

- notify the Ministry of Education if you are accepting or declining the sabbatical
- notify the Ministry of Education of any changes to information included on the application form, (for example your employment status, contact details, your proposal, or if you take up a new position)
- undertake the professional learning activities as stated in your proposal.

If you are successful and then decline the offer of a sabbatical, you can re-apply with no consequences in a subsequent year.

A sabbatical cannot be postponed to the following year, however, under exceptional circumstances the principal and school board/employer may agree to postpone the leave to the first or second term of the following year, subject to notifying the Ministry of Education.
