## How are schools/kura eligible?

To be eligible for the September 2026 Teacher Bonding Scheme cohort, schools/kura need to be considered a 'Priority Staffing School'.

To be considered a Priority Staffing School – schools/kura need to meet one of six criteria:

- i. 5-year avg. teacher retention of 60% or less,
- ii. 5-year avg. teacher readvertising rate of 40% or more,
- iii. 5-year avg. teacher retention of 70% or less and a 5-year teacher readvertising rate of 20% or more,
- iv. Nominated by their Te Mahau regional office
- v. Nominated by Te Rūnanga Nui o ngā Kura Kaupapa Māori o Aotearoa (for affiliated kura)
- vi. Nominated by Ngā Kura ā Iwi (for affiliated kura).

## How did you identify what schools/kura met these criteria?

We used teacher retention and readvertising data of every school from 2021-2025 - to identify which schools/kura meet Criteria 1-3.

Nominations from Te Mahau regional offices concluded on 17 June 2026 and inform Criteria 4.

Nominations from TRN and NKāi concluded on 17 June 2026 and inform Criteria 5-6.

## How many schools/kura are eligible?

645 schools/kura are eligible in total – this is 27% of all state and state-integrated schools in the country. This list of schools is updated annually.

We have included below how many schools are eligible in each region, alongside what percentage of all schools that is in the region.
